Height	4.50"	11.43 cm
Width	1.25"	3.17 cm
Firing Mechanism	Spring Loaded Flip-Top	
Warranty	5 Year Shelf Life	
Canister Material	Seamless Aluminum Rated 2Q	

MK-6 Ballistic Stream: This unit is a small and concealable unit for use by the plain clothes officers and covert operators. Features a built-in clip, which allows placement anywhere you have access to. Best used for encounters with an individual or small group of 1 – 2 subjects for self-defense and evasion. The Flip Top indexes for directional holding, aiming, and firing for easier target acquisition. The Ballistic Steam Delivery System can engage specific individuals because of its accuracy. The MK-6 Ballistic Stream gives its operator a tactical advantage when controlling force is needed.

Delivery	Ballistic Stream			
Effective Range	Up to 10ft

Scoville Heat Units (SHU)	500,000	2,000,000		Zero

Formulation: Oleoresin Capsicum (OC) combined with a Non-Flammable carrier. THOR OC sprays are safe for use with Electro Muscular Disruption (EMD) technology. UV dye added for easy identification, putting the subject at the scene of incidence.

OC + CS blends are available, custom blends upon request to meet your department requirements.

Safety: The Flip-Top has a protective, spring-loaded, plastic safety cover. The integrated safety cover prevents accidental discharge and conveniently moves out of the way for unobstructed access to the actuator when used.

Labeling: All canister labels are wearing water-resistant and contain the following data:
 • Individualized Serial Numbers • Active Ingredient • Date of Manufacture • Date of Expiration
 • Lot/Batch Number • Stock Number • Decontamination Instructions

Packaging: Department of Transportation (DOT) approved commercial packaging.
